Ines Ruhengeri

Dear Sir/Madam,

As I've been graduated in IPRC Karongi in Masonry trade since 2022 with 58/60 aggregate.

I'm writing to express my desire to participate in the study loan by bilidungsbrueck-Ruanda.

My parents come to Rwanda as immigrant and have worked tirelessly in low paid jobs to provide food Our family After many years ago one of my parent(father) pass away it was very difficult for me to be an orphan and continue study because of lack of enough amount of money to help me to study and my family to get food for feeding so that's why i already missed to study in university college. So for this time I've already get another trial of getting college.

if i accepted to the program I will be the first member of my family to benefit a college

education. My goal is to use my education back to the community I to specialized in architecture passion for this field was to inspired by my winning virtual city design for the national future city competition, and I want society to benefit from my education from that program to gain prestige as an institution providing innovation for the greater good this scholarship would enable me to achieve this aims.

Please get in touch to arrange meeting with me, I'd love to tell you more about my upbringing and my desire to give back to my community through my further education.

Best regard,

ADIDAS Madisi Aian
