RECOMMENDATION LETTER

I, Prof. Dr. Muthiah Sankaranarayanan, Dean, School of Agricultural Engineering of the College of Agriculture, Animal Sciences and Veterinary Medicine, University of Rwanda would like to recommend **Mr.UWIHANGANYE Paulin** (Register No. 215028267) for MSc admission, scholarships and job opportunities. I knew him as a student of me studying in my school of Agricultural Engineering. He has completed his BSc with Honours in Irrigation and Drainage in 2015 academic year with 67.6%. He bears good conduct and character. I knew him as the Dean of the school and teacher of agricultural engineering subjects. He is a hardworking and sincere person. He was a student of excellent concentration in his activities and self-motivated. He can work independently and also as a team member to achieve the objectives of the relevant jobs. I strongly recommend his candidature for the higher studies and job opportunities, which will allow him to serve for the Rwandan community with higher knowledge, capacity and aptitude. I am ready to provide further information about the candidate whenever needed. Please do not hesitate to contact me on my address. With best regards
