Dear,

Sir /Madam

RE:TO WHOM IT MAY CONCERN

I was thrilled to hear that **ADIDAS Madisi Alan** made an application to be among your students. **MADISI** is a son to **GASAMAGERA Jean Baptiste** and **MUKANTAGARA Immaculee**. I want to highly recommend to you that **Madisi** is a member of **Spiritual church** as a choir member. Few years ago he lost his Father, he has two young sisters and it is not easy for his Mother to look after them because she is old. What they have is only house.

Madisi is academically prepared, well-disciplined, courageous and humble. He loves GOD and people. He has done much at our church.

Again, I want to assure you of my highest recommendation of **Madisi**, and trust that he will do better than what I said above. If you have any questions please don't hesitate to contact me on **0788664814**.

We are looking forward for your response under your favourable considerations.

Blessings in Christ,

Pastor NABWIRE Betty

I am Tom MUZIGURA Finance Manager Imizi children center and I have a pleasure of knowing ADIDAS Madisi Aian son of GASAMAGERA Jean Baptist and MUKANTAGARA Immaculle for over 13 years without hesitation I have complete certainty in his exceptional character and suitability for a wide range of opportunities.

Madisi has many qualities that set him apart from the rest. During the time that I know him Madisi has demonstrated great qualities in Discipline, creativity, time management, hardworking, ask critical question, critical thinker, good listener, honest, respectful, responsible and good prayer and as much more.

For example; One day Madisi was in the library training with group of other students then some of the school supplies were missing, nobody really knew who taken them so I punished them all for looking for them. They were young maybe they didn't care but Madisi made it his own and searched the whole school trying to find as many places as possible

after three hours later, he found the school supplies and found out who had stolen them, and quickly brought to the school which also thanked him. It was a great surprise and great pleasure for me and I thanked him for the kind act that took place while the others around him ignored it and some even forgot that it had happened because they were all young.

Madisi is an orphan but he tries to cope with his difficult life and tries to get along well with others without threatened. all the time i knew Madisi I never knew he misbehaved in school he rarely tried to care

In conclusion, I enthusiastically recommend Madisi he embodies distinctive blend of character, competence and interpersonal skills that make him an exceptional candidate for any opportunity,
