RE: Application for Sponsorship

Dear Admissions Committee,

I would like to express my interest in the Sponsorship of Bildungsbruecke-Ruanda, for undergraduate in department of Land Management and Valuation. I am self-motivated, resourceful and progress-driven, with an extensive background in this industry which will help me to move forward in this career as I studied Mathematics, Economics and Geography (MEG) In Secondary school, due to my background history I came from poverty family this was limiting me to continue my studies as required, therefore with your help I wishes to continue for your university's scholarships. With my long-standing record of initiative and delivering results, I have developed and executed strategies that I believe will bring value to INES- Ruhengeri in department Land management and Valuation.

I have honed my team-working abilities. I am open-minded and focused on new developments in this field. I have proven to be effective and motivational, with proficiency in collaborative studies. I enjoy brainstorming and coordinating efforts to achieve a common goal.

In addition, with the progress of this study, I will live in my family located in Burera Village, Ruhengeri Cell Muhoza Sector, Musanze District.

I have enclosed my CV for your review. I would appreciate the opportunity to attend to you regarding my candidacy for the scholarship , and am available for a call or interview for your convenience.
