**RECOMMENDATION FOR GENORYIMANA Hycinthe**

This recommendation is presented to **GENORYIMANA HYCINTHE** daughter of NIYONSENGA Jean Damascene and TUMUSHIME Valentine born at Bungwe Cell, Bungwe Sector, Burera District, Northern Province.

For the experience gained in our organization, as the Head teacher of GS Bicumbi, I hereby testify that **GENORYIMANA Hycinthe** was a student at GS Bicumbi since 2020/2021 till 2022/2023 in S4MEG, S5MEG and S6MEG. She was well behaved and has never convicted of any misbehavior or come to adverse school notice. She is equipped with the skills necessary to enable her to perform well and her positive attitude will make her a suitable candidate for any relevant under graduate program.

If she is given the chance to pursue her studies, I highly recommend her for any suitable program she applied for.

Yours Sincerely

Done at Bicumbi, on May 07, 2024
