To whom it may concern,

Subject: Application for a Scholarship

Dear Sir/ Madam,

I am writing to express my sincere interest in applying for a scholarship from you to be able to pursue my undergraduate in longstanding aspiration, Biomedical Laboratory at INES RUHENGRI.

My educational background is biology, and I am drawn to Biomedical Laboratory Science due to its pivotal role in healthcare diagnostics, research, and treatment.

For my dreams to become a reality, it requires substantial financial investment that we are not able to meet considering the economic situation of my family. Guaranteeing me a scholarship would not only alleviate the financial burden but also provide me with the necessary support to fully immerse myself in my studies and research endeavors.

I promise to work hard for good academic performance once blessed with a scholarship from you.

Thank you for considering my application, and I look forward to the opportunity to contribute to the vibrant community of scholars at INES RUHENGRI.

Sincerely,

UWIRAGIYE Alliance
