Dear Scholarship Committee,

I am writing to apply for the scholarship opportunity at INES Ruhengeri for the Computer Science program. My name is Violette Gasengayire, and I am deeply passionate about computer science, a passion that was ignited during my studies in secondary school.

Studying software development in secondary school provided me with a solid foundation in programming languages, algorithms, and software engineering principles. I was captivated by the way software can solve complex problems and improve people's lives. This experience solidified my desire to pursue a career in computer science and further enhance my knowledge and skills in this field.

INES Ruhengeri's renowned Computer Science program is exactly what I need to achieve my academic and career goals. The university's commitment to excellence and innovation in education, as well as its emphasis on practical learning experiences, align perfectly with my aspirations. I am particularly excited about the opportunity to learn from the distinguished faculty members and to collaborate with like-minded peers who share my passion for computer science.

Receiving this scholarship would not only alleviate the financial burden of pursuing higher education but also provide me with the resources and support necessary to excel academically. I am eager to immerse myself in the university's academic community, take advantage of its state-of-the-art facilities, and participate in research projects that will broaden my understanding of computer science.

Thank you for considering my application. I am enthusiastic about the prospect of studying at INES Ruhengeri and am committed to making the most of this opportunity. I am confident that my academic background, coupled with the education and support offered at INES Ruhengeri, will enable me to achieve my goals and make meaningful contributions to the field of computer science.

Sincerely, Violette Gasengayire
